## Student's Worksheets: GRADE 8 Lesson 8

### Music Composition

#### Introduction

A song is a piece of music made up of words and melody, often used to tell a story, share a feeling or teach something. Most songs have verses and a chorus.

#### Verse:

- Introduces new ideas or parts of the story.
- Each verse is usually different.

#### Chorus:

- The part that repeats itself.
- Stays the same and is easy to remember.
- Tells the main idea of the song.
- Comes after each verse.

**SMART TIPS**

When the night has come And the land is dark And the Moon is the only light we'll see No, I won't be afraid Oh, I won't be afraid Just as long as you stand, stand by me		
So, darlin', darlin', stand by me Oh, stand by me Oh, stand Stand by me Stand by me		
If the sky that we look upon Should tumble and fall Or the mountains should crumble to the sea I won't cry, I won't cry No, I won't shed a tear Just as long as you stand, stand by me		
And, darlin', darlin', stand by me Oh, stand by me Whoa, stand now Stand by me Stand by me
