## Student's Worksheets: GRADE 9 Lesson 8

### Classification of Musical Instruments used in music from Different Cultures

#### Introduction

Mauritian music is a living expression of the island's multicultural identity whereby each culture has their own music, with unique instruments, rhythms, and styles. You will recall and explore the different families of musical instruments and recognise the key characteristics of each group, and understand how these instruments are used in different musical styles and cultural traditions across Mauritius.

## Activity 1

Listen to the music of different cultures below.
