

# WESTERN MUSIC

## Student's Worksheets: GRADE 9 Lesson 10

### Songwriting and Performance

#### Introduction

Creating lyrics and music helps students express their emotions, build confidence, and collaborate effectively. It also enhances their writing, critical thinking, and music skills while fostering creativity.

**Activity 1****Group Activity - Composing lyrics**

Write the lyrics based on the theme 'Vakans lékol'.

**Activity 2****Group Activity - Creating rhythmic pattern**

With the help of your teacher and using your self-made traditional Mauritian instruments, create a rhythmic pattern to accompany the song composed in Activity 1.

**Activity 3****Group Activity - Performance**

Perform the song composed in Activity 1 together with the rhythmic accompaniment.

You will work in two groups:

**Group A** will sing the song.

**Group B** will play the musical instruments.

You will take turns:

- First, **Group A sings** while **Group B plays**.
- Then, switch roles:
  - **Group B sings**
  - **Group A plays**
