

CREATIVE FASHION & TEXTILES

ELECTIVE

Student's Worksheets

Topic: Fashion Trends

Four class periods (35 minutes each)

Activity 1: Fashion Through the Decades

1. Watch the video 'Evolution of Fashion - Fashion through the decades' (Link 1). You can also view with your teacher the other two video links provided.

Link 1

Link 2

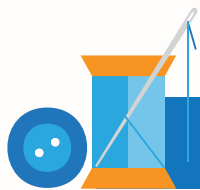

Link 3

2. List some common fashion trends.
3. Discuss your observations from the videos.

Key terms:

Fashion is the way people dress and express themselves through clothing, shoes and accessories. It changes over time and differs from country to country.

Fashion trends are styles in clothing that become popular for a certain period.

FASHION TRENDS

Activity 2: Timeline Matching

Look at the pictures of the different garments. Some belong to fashion trends from the past (vintage), while others are recent ones.

Match each picture to the correct timeline.

2020

1990

1970

1950

Activity 3: Expressing oneself on Fashion Trends

Pair up with your friend.

Read and answer the questions below.

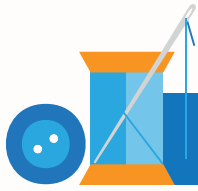

Questions:	Answers:
1. Have you seen any old fashion trends that are popular again nowadays?	
2. What did you find interesting or different about old fashion trends?	
3.Why do you think fashion trends keep on changing?	

Activity 4: Current Fashion trends

Study the outfits in the pictures and identify which garment(s) is currently in fashion.

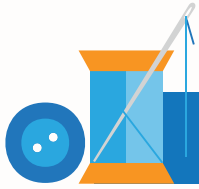

Tick in the appropriate box.
